

## Salute a Veteran Through Operation Honor Force

For 2018, BVL is re-introducing Operation Honor Force! This is an opportunity to spotlight someone you know – a military man or woman – active duty, reservist or veteran, living or deceased – to recognize their service to our country.

Honorees could be a teammate, co-worker, relative, friend, or someone in the community who has served our country or is on active duty. This recognition will be posted on the BVL Facebook page throughout the year, and will be archived on the BVL website. Please send 2-3 photos of your honoree — at least one of them should be in uniform -- good resolution is critical. Scan in a physical photo if a digital copy is not available. Email the photos with the following information:

- Name, branch, occupation, and years of service
- Tours, deployments, and campaigns
- Notable awards or achievements
- Hometown or current residence

Include the name of the individual or group that is sending the honor.

Email the material to [elizabeth@bvl.org](mailto:elizabeth@bvl.org). Please put "OHF" in the subject line.

For those individuals, groups or organizations that would like to make a donation to BVL in your honoree's name, BVL will acknowledge the contribution to the honoree or next of kin. Contributions can be made electronically at <http://bit.ly/2F4kb9B> (Note "OHF" in the Designation form and your Honoree's name in the Dedication line.) Or, print this page and mail the form below to the address noted (check made payable to BVL). Please note "OHF" in the memo with the name(s) of the honorees.
